### Job Title: Software QA Engineer

Company Name: Multiplica Talent

Share

#### Description

We are looking for a Quality Assurance Engineer to join our team. As a Software QA Engineer, you will provide testing and validation support to our engineering team as well as suggesting solutions to identified quality problems.

#### Job responsibilities

- Review requirements, specification, and technical design documents to provide timely and meaningful feedback.
- Create detailed, comprehensive, and well-structured test plans and test cases.
- Estimate, prioritize, plan and coordinate testing activities.
- Identify, record, document thoroughly and track bugs.
- Perform thorough regression testing when bugs are resolved.
- Liaise with internal teams (e.g., developers and product managers) to identify system requirements.
- Monitor debugging process results.
- Stay up to date with new testing tools and test strategy

#### Requirements

- 3+ years of professional Engineering experience.
- Good verbal and written communication skills.
- Exceptional attention to detail.
- Proven work experience in software quality assurance.
- Strong knowledge of software QA methodologies, tools, and processes.
- Experience in writing clear, concise, and comprehensive test plans and test cases.
- Hands-on experience with both white box and black box testing.

- Great team player and able to work efficiently with minimal supervision.
- Experience with performance and/or security testing is a plus.
- BS/MS degree in Computer Science, Engineering or a related subject.
- Work experience in software development automated testing is a plus.
- **English proficiency: B2 level (Intermediate-High)**

### Benefits

- 100% remote work from any country in Latin America.
- Payments in US dollars (USD) for all projects.
- Exclusive access to a 60% discount on English, French, German, Portuguese, and Italian courses through our partnership with a renowned learning platform.
- Special discounts on medical, psychological, nutritional, and fitness training plans.
- Personalized support from an Account Manager throughout the entire project.
- Upon completing your first project, you'll gain access to our freelancer community and a list of exclusive projects in over 5 countries, including the U.S
