### Job Title: QA Engineer - Internship

Company Name: MotorK

Share

#### Description

MotorK is the leading sales and marketing technology company in Europe, specializing in the automotive sector. Our mission is to empower manufacturers and dealerships to sell more with innovative, cloud-based products and services that offer the best digital customer experience.

We are on a fast and ambitious trajectory, serving 90% of automotive manufacturers. To continue our growth, we are hiring new talents. If you want to spark the future of the automotive world, join us.

#### About the Role:

The QA Engineer Internship provides a unique opportunity to work with a dynamic team focused on ensuring the quality and reliability of our innovative products. As a QA Intern, you will help maintain the quality standards for MotorK's applications.

You will gain hands-on experience with testing frameworks and best practices while working closely with developers to ensure features meet quality expectations before being released to customers.

#### Requirements

- Currently pursuing a degree in Computer Science, Engineering, or related fields.
- Basic understanding of quality assurance processes and methodologies.
- Familiarity with manual and automated testing unless one programming language is used, like Javascript/Typescript or Python.
- Knowledge of testing API using tools.
- Manual: Able to execute tests with supervision and be aware of any associated risks. Contribute to documentation and collaborate well within their team.
- Automation: Able to develop & run automated tests and read code
- Good communication skills to work collaboratively with the development team.

#### What you will learn:

- Hands-on experience in a fast-paced QA environment.
- Exposure to different testing tools and methodologies.
- Collaboration with experienced QA and development teams.

### What we offer:

- Paid internship
- Meal Tickets
- Individual career path and development possibilities

### Yearly team activities

MotorK is an Equal Opportunity Employer and Prohibits Discrimination and Harassment of any kind. Our company is committed to the principle of equal employment opportunity for all employees and to providing employees with a work environment free of discrimination and harassment. All employment decisions at MotorK are based on business needs, job requirements, and individual qualifications, regardless of race, color, religion or belief, age, family or parental status, or any other status protected by the laws or regulations in the locations where we operate.
