Job Title: Software QA Test Engineer (Validation Engineer)

Company Name: Medpace

Share

Job Summary: Medpace is growing rapidly, and we are currently seeking a full-time, office-based Software QA Test Engineer (Validation Engineer) to join our growing Information Technology (IT) team in the Mumbai office.

Responsibilities:

- Work closely with developers and end users throughout the software life cycle to ensure that applications meet the needs of the users;
- Perform testing using a variety of test methodologies, including manual, exploratory, and automated testing;
- Create and maintain test cases, test plans, and other documentation for projects;
- Participate in constructive peer review of test cases;
- Identify and report software defects and inconsistencies;
- Review, analyze, and supplement requirement specifications, and ensure 100% test coverage; and
- Help facilitate execution of acceptance test scripts by end users

Qualifications:

- Minimum Bachelor's degree and 1+ years of experience in software testing, preferably in an agile-like environment;
- Experience writing and executing manual testing for complex software applications; experience in automated testing is a plus!
- Experience communicating and working within cross-departmental teams consisting of software developers, department leads, and end users;
- Excellent computer skills; analytical, written, and oral communication skills; and
- Experience in the regulated healthcare industry is a plus.

Medpace Overview: Medpace is a full-service clinical contract research organization (CRO). We provide Phase I-IV clinical development services to the biotechnology, pharmaceutical, and medical device industries. Our mission is to accelerate the global development of safe and effective medical therapeutics through its scientific and disciplined approach. We leverage local regulatory and therapeutic expertise across all major areas including oncology, cardiology, metabolic disease, endocrinology, central nervous system, anti-viral and anti-infective. Headquartered in Cincinnati, Ohio, employing more than 5,000 people across almost 40 countries.

will improve the lives of people living with illness and disease in the future.

Medpace Perks

- Flexible work environment
- Competitive compensation and benefits package
- Competitive PTO packages
- Structured career paths with opportunities for professional growth
- Company-sponsored employee appreciation events
- Employee health and wellness initiatives

Awards

- Recognized by Forbes as one of America's Most Successful Midsize Companies in 2021, 2022, 2023 and 2024
- Continually recognized with CRO Leadership Awards from Life Science Leader magazine based on expertise, quality, capabilities, reliability, and compatibility

What to Expect NextA Medpace team member will review your qualifications and, if interested, you will be contacted with details for next steps.
