### Job Title: QA Tester for Apps

Company Name: leadtech

Share

#### Description

We're looking for a QA Tester who is passionate about their work, adapts easily, and shares our company values! A little bit about us

Leadtech has been fostering and developing innovative digital businesses across several industries since 2009. It has since then expanded to a team of over 500 committed employees working all over Spain. We are thrilled to have more than 23 nationalities working together and very proud to see that our products and services are enjoyed by millions of users around the globe. #LifeAtLeadtech

How will you make a difference?

- Manage, prepare, and monitor testing and its push-through production in an agile environment
- Together with the QA team, define and prepare the strategy to improve the quality of our products
- Work closely with the business and engineering team to provide ideas for improvement
- Share your experience and knowledge with the QA team

#### Your team

We're team-first. If you believe in the power of collaboration and that the team's success is your success, then you're one of us! Fun is fundamental. We believe in forming strong bonds in and outside the office. That's why we have a team-building budget and organize activities to enjoy ourselves. Positivity wins the day. Bring a positive attitude and communicate openly. Self-awareness and an openness to learn are always a plus.

#### Requirements

What will make you stand out from the crowd:

- At least 2 years experience working as a QA Tester.
- Experience in validation of APPS like IOS
- Strong experience in software Quality Assurance test plan and test case generation.
- Experience in Agile methodologies and working in a multidisciplinary team is desirable.
- Ability to report and document clearly.
- Experience in working with bug-tracking software.

- Team player.

## Benefits

Perks of being one of us:

- Top-notch private health insurance — includes dental and psychological services
- Full-time, permanent contract
- Flexible time off, no blackout dates, plus your birthday, Christmas Eve and New Year's Eve off
- Remote work OR come into the office if you prefer!
- Flextime (7 – 9:30 a.m. / 3:30 – 7:30 p.m)
- Free Friday afternoons (a 7-hour workday!) + 35-hour weeks in July and August (free afternoons here we come!)
- Enhanced career path designed just for you
- External training budget
- Other: ticket restaurant, nursery tickets
- Budget for team-building activities
- We celebrate all company landmarks
- And when you come into the office, you'll get free coffee and snacks, fresh fruit, and can enjoy our game room and the cool terrace overlooking the Mediterranean

Sounds good? Apply now! We're looking forward to getting to know you.

## Equal Employment Opportunity Employer:

Leadtech is an Equal Employment Opportunity (EEO) Employer, which means we encourage applications from people with different backgrounds, interests, and personal circumstances. Our team welcomes applicants regardless of their race, gender, age, religion, nationality, sexual orientation, gender identity, gender expression, and/or disabilities. All we need is your high energy, skills, and willingness to be a part of a great project!
