Job Title: Executive/ Sr.Executive Penetration Tester

Company Name: Sysnova Information Systems

Share

Summary

- Location: Dhaka (Dhanmondi)
- Salary: **Negotiable**
- Experience: **3 to 5 years**

Requirements

Education

- Bachelor of Science (BSc) in Computer Science & Engineering
- Bachelor's degree in computer science, information technology, or a related field.
- A Master's degree is advantageous.

Experience

- 3 to 5 years

Additional Requirements

- Certifications such as Offensive Security Certified Professional (OSCP), Certified Ethical Hacker (CEH), or CompTIA certifications are highly valued.
- 3-5 years of experience in penetration testing, vulnerability assessments, and cybersecurity roles.
- Strong knowledge of security principles, vulnerabilities (e.g., OWASP Top 10), and mitigation techniques.
- Proficiency in using penetration testing tools such as Burp Suite, Metasploit, Nessus, or similar.
- Experience with programming/scripting languages (Python, JavaScript, etc.).
- Familiarity with QA processes and tools (e.g., Selenium, JIRA).
- Relevant certifications like CEH, OSCP, or CISSP are a plus.

Responsibilities & Context

- Perform security assessments and penetration tests on web applications, mobile apps, and network infrastructure.

- Implement and enforce security best practices in QA processes.
- Collaborate with development and IT teams to ensure secure coding and configurations.
- Monitor security alerts and incidents, ensuring timely resolution.
- Provide comprehensive documentation of security measures and test cases.
- Prepare and present security reports to stakeholders.
- Stay updated with the latest security trends, tools, and techniques.
- Evaluate new technologies and tools for security testing.
- Develop and enhance internal security testing methodologies.

Compensation & Other Benefits

Attractive remuneration will be offered depending on the profile of the candidate.
