Job Title: QA Engineer

Company Name: Tabby Scoring System

Share

Description

- Tabby creates financial freedom in the way people shop, earn, and save by reshaping their relationship with money.
- Over 5,000,000 active users choose Tabby to stay in control of their spending and make the most out of their money.
- Over 30,000 global brands and small businesses use Tabby's technology to accelerate growth and gain loyal customers.
- We are seeking a skilled QA Engineer to join our TSS Team who is accountable for the tools used in the scoring process.

Requirements

- 2+ years of experience as manual QA and at least 1 year of experience as Automation QA;
- Good knowledge of testing and development processes;
- Proficiency in automation tools with a focus on testing integration points and APIs. Experience with Go is a plus;
- Solid understanding and hands-on experience with testing in a microservices architecture;
- Strong analytical skills to identify issues in complex integration scenarios and proactively develop solutions;
- A detail-oriented mindset with a commitment to delivering high-quality products through rigorous testing practices.

Benefits

- Relocation: We offer remote work from anywhere in the world and are happy to work out an individual relocation plan for you.
- Flight to one of the mentioned countries.
- Accommodation during the paperwork completion period.
- Opening a bank account and getting a residence permit in one of the mentioned countries.

- New employees can also choose an alternative method of relocation to another country of their choice. In this case, Tabby will reimburse up to \$5,000 of verified costs upon opening a legal entity and a bank account.
- We offer flexible working hours and trust you to work enough hours to do your job well, at times that suit you and your team.
- A working environment that gives you autonomy and responsibility from day one.
- Participation in the company's employee stock options program.
- Health Insurance
- We are passionate about creating an inclusive, high-performing workplace that gives people from all backgrounds the support they need to thrive, grow, and meet their goals (whatever they may be).
