**Job Title: Sr. Software Quality Assurance Engineer**

**Company Name: MIAKI**

Share

Employment Type: Full-time (On-site)

Number of Vacancies: 10

Job Location: Dhaka, Bangladesh

Job Context:

MIAKI is an organization with skillful resources dedicated to making a difference in the Tech & Digital Services sector. As a Multi-Country Service Provider, we excel in developing customized software and mobile applications, and offering outsourcing services for skilled resources in both local and international markets. Our expertise also includes serving as a Managed Services Partner in the digital space and fostering the creation of innovative companies and ideas.

At MIAKI, we believe in making a difference. We stand for value for money, quality, innovation, and embracing competitive challenges. We strive to achieve this by empowering our employees to consistently deliver exceptional customer experiences.

We are seeking passionate and experienced Senior Software Quality Assurance Engineers for various projects.

Must-Have Skills:

- Over 5 years of hands-on experience in automation on any platform
- Strong knowledge and experience in app and web-based QA automation
- Experience in API testing using tools like Rest Assured and Postman
- Proficient in NodeJS and JavaScript
- Adept at load and stress testing using tools such as JMeter
- Ability to participate in product design reviews to provide input on functional requirements, product designs, schedules, or potential issues

## delivery areas

- Skill in testing system modifications to prepare for implementation
- Experience in monitoring bug resolution efforts and tracking successes
- Ability to provide feedback and recommendations to developers on software usability and functionality
- Expertise in updating automated test scripts to ensure workability

## Preferred Qualifications:

- B.Sc. in Computer Science (exceptional candidates without this qualification will be considered)
- Enjoy working on challenging solutions and systems
- A "can-do" attitude
- Confidence in communicating in English

Salary: Negotiable, based on hands-on working experience

## Other Benefits:

- 2 Festival Bonuses
- Mobile Allowance
- 2 Weekly Holidays
- Medical Insurance coverage for Spouse & Kids
- Provident Fund and Gratuity

## Position Interviewing Process:

1. Introductory discussion with HR
