Job Title: Sr. Test Automation Engineer
Company Name: HSO

Share **f** **in** **X**

Description

HSO is a leading Microsoft Dynamics Gold partner founded in 1987, specialising in sectors such as Retail, Rental, Manufacturing, Professional Services, and Local Government. With a headcount of over 280 employees in the UK, winning multiple awards such as 2020 Microsoft Partner of the Year, Best Tech Company 2021 and Top 3 Large Companies to work for 2021, our reputation in the Dynamics Market is higher than ever. Prioritizing customer satisfaction, our expertise and pragmatic approach to each customer's business needs enable us to provide a 100% referenceable solution, supported by award-winning 24-hour support. Our recruitment motto has always been – 'We don't want good people to just join us, we want them to stay with us'. Ensuring our employees are challenged, supported, and engaged in our wider family is key to our continued success – we have a designated Learning and Development Team who are continuously offering the best training on the market, combined with an Engagement Team who are creative in ways we can have social activities virtually. From online chess tournaments to coffee mornings, to Netflix and book clubs, virtual singing classes,and online yoga – the list is endless!
